Build-in 4 Mic

6x Lossless Zoom

OEM & ODM

Expansion Microphone

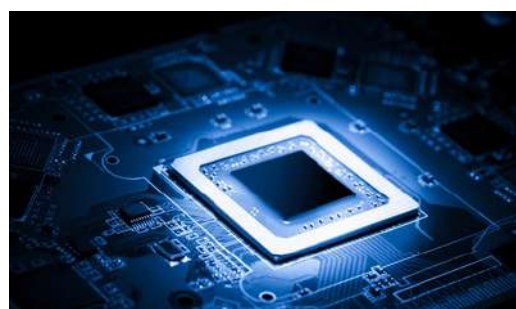

THE CAMERA THAT FITS SEAMLESSLY INTO YOUR SPACE

Redefining video collaboration with 4K UHD clarity, AI face tracking, and auto zoom. Its 120° wide angle lens ensures every participant is perfectly visible, wherever they're seated.

INTELLIGENT DIGITAL SIGNAL PROCESSOR

Advanced DSP technology provides natural audio with echo cancellation, noise suppression, and gain control, ensuring smooth, high-performance video collaboration.

SMART VIDEO, PERFECTLY ALIGNED WITH AI

AI Speaker Tracking

Automatically focuses on the speaker, enhancing face-to-face interaction.

AI Auto Framing & Face Tracking

Intelligent zoom and tracking keep speakers centred for seamless engagement.

Enhanced Visual Clarity for Every Meeting

Featuring a 116° wide-angle view and a 4K HD lens, the ProVC-XtudioMIC+ ensures that all participants are presented with stunning clarity.

4K ePTZ Camera

The ProVC-XtudioMIC+ features a 120° ultra-wide-angle 4K camera, capturing every participant and detail within 16 feet for a fully immersive view.

Anti-Backlight/ Dark Light

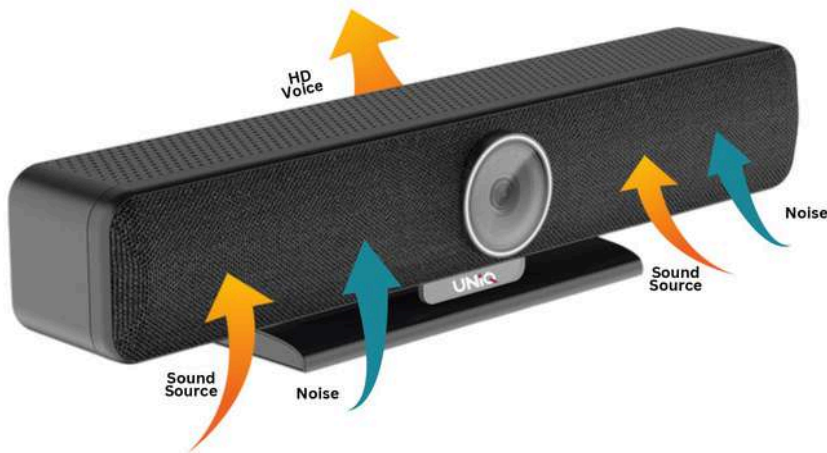

The ProVC-XtudioMIC+ expertly adjusts the exposure value, ensuring clear and natural images in high-contrast or backlit settings.

5-Meter Pickup Range

With four integrated microphones, the ProVC-XtudioMIC+ captures voices up to 5 meters away, eliminating the need for extra mics.

ECHO CANCELLATION, INTELLIGENT NOISE REDUCTION CLEAN UP ALL THE NOISE

- Advanced DSP with echo cancellation and noise reduction for crystal-clear audio, even in noisy environments, enabling seamless, distraction-free communication.

Effortless Compatibility for Instant Collaboration

- Effortless plug-and-play compatibility with all video conferencing apps—just connect and enjoy exceptional audio and video quality

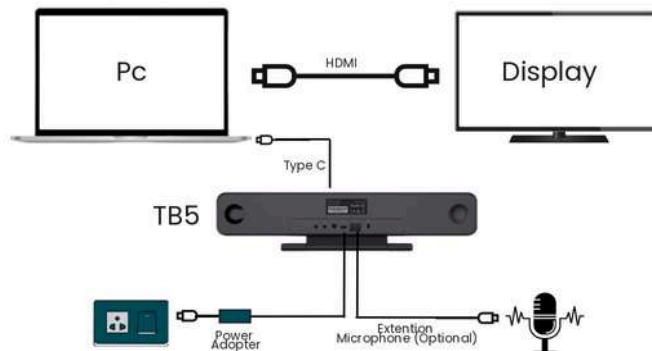

OPTIONAL EXTENSION MICROPHONE

Extend your range effortlessly with an optional mic, ensuring clear audio in larger spaces, no complex setup required.
