

SC25A

4K 180° Panoramic Camera

UNIQ
DIGITAL

The SC25A transforms video conferencing with its 180° panoramic field of view, auto-tracking capabilities, and six versatile video layouts, making it perfect for everything from small meetings to full-room presentations.

4K UHD Clarity Triple 12 MP Cameras

Advanced Video Conferencing with Superior Features

180° Panoramic View

Capture every corner of the room effortlessly. The SC25A uses advanced 180° technology to bring everyone into frame, making even the smallest spaces feel immersive.

4K UHD Clarity with Triple 12MP Cameras

See it all in incredible detail. The SC25A delivers sharp 4K quality with triple 12MP cameras for stunningly clear video that brings every conversation to life

Smart Auto-Tracking

Follow the conversation naturally. The SC25A tracks and zooms in on participants as they speak and move

Enhanced Sound Integration

Complete the experience with the BM20 Speakerphone, offering 360° sound to match the SC25A's vivid visuals. A single USB connection brings it all together.

Plug-and-Play Setup

With integrated Type-C and USB connections, SC25A connects instantly to Bluetooth speaker systems and works smoothly with major UC platforms like Zoom.

1-Click video Layout Switch

Free from special training or complicated Software operations. Simply tap the top of The camera to switch video layout.
